## LAKE GUIDELINES

Eastowne Lake is a private lake, owned by the park owners and maintained for the exclusive use of the residents of Eastowne Estates. Guests are allowed only when accompanied by an adult resident of the park. An adult is considered to be a person 18 years or older. No fishing licenses are required.

The fenced lake area is not a play area. It is intended for fishing and relaxing. **No boating, swimming or pets of any kind are permitted.** No child under 14 years is allowed in the lake area without an adult. A 14 year old resident can be in the lake area if he has his parent's permission and is able to swim, but he cannot sponsor another person (a guest) who is not at least 18 years old.

The Lake will be closed from October 1 to April 1, weather permitting. The lake gates will remain locked at all times. Keys may be signed out from the Office with a \$10.00 deposit.
