

Responsible Restart Procedures

Our office is open in accordance with the guidelines set forth in by Gov. DeWine's Responsible Restart Ohio plan. We will be open during our normal business hours, Monday to Friday from 7:30 AM to Noon and 1:00 PM to 4:00 PM. At this time the office will continue to be closed to residents, though select appointment times may be made. Any residents entering the office must wear a mask.

Rent: Rental payments can be made through the western window on the front porch of the office (up the concrete ramp). You may continue to pay by mail to 1480 Shore Drive, Ste B, Findlay, Ohio 45840 or through the drop box on the back door to the office (up the small set of concrete steps by the end of the ramp). We ask that you please pay by check. If you are a CASH ONLY customer please pay by money order. Please maintain 6 feet of distance from other residents by standing on the spaces marked on the porch.

Trash Bags: Trash bags for rent paid prior to the office reopening will be available for pickup at the western window on the front porch of the office (up the concrete ramp). Please maintain 6 feet of distance from other residents by standing on the spaces marked on the porch.

Pool: The State of Ohio has allowed the opening of public pools and issued mandatory operating procedures for reopening. We have examined Ohio's procedures, as well as those put forth by the CDC, at length and have come to the conclusion that we will be unable to open our pools this summer and comply with these rules. While this is unfortunate our highest priority must be the safety and well-being of our residents and staff.

Pond: The Eastowne pond will be closed this summer. Past misuse of our normal guidelines, and our inability to staff the area, make it impossible for us to ensure the safety of our residents while using this facility.
